**Re: Acetaminophen – ASD-ADHD Products Liability Litigation
1:22-md-03043-DLC**

Dear Judge Cote:

This is to advise that, per my recent communications with co-lead counsel, I have resigned, effective immediately, from the Plaintiff's Steering Committee in the above-captioned matter.

My intentions in this case was to represent children who suffered from autism or ADHD from the use of the branded acetaminophen purchased from Rite-Aid in Pennsylvania. Those cases will be filed in State Court.

The recent Coordination Order entered (as I read the Order) means that I cannot do so and remain a member of the MDL's PSC unless that State Court agrees to the Coordination Order. Since it remains unknown what those State Court's will do, I felt it appropriate to resign from the PSC to meet the spirit of your Order.

Thank you for having the confidence in me and my firm in appointing us. I look forward to working with a strong leadership and all counsel toward a successful resolution of the case.

If there is anything further you need from me, please let me know. Thank you.

Respectfully Submitted,

RMG/dbm
